Big Shot

- [Big Shot \[143263\]](#)

Bundles

- [Hearts Come Home Clear-Mount Bundle \[146068\]](#)

Material Cuts:

Pool Party: 4 ¼ x 8, Scored along the 8 side at 1 ¼, 2 ½, 5 ½ & 6 ¾

Whisper White: 5 ½ x 8 ½ - Place church side up 1 ¼ before cut. Snowman up 2" from bottom (get them both on this sheet of WW)

Gold Glimmer: 1 ¼ x 5 ½ - Scrap for back of houses and church.

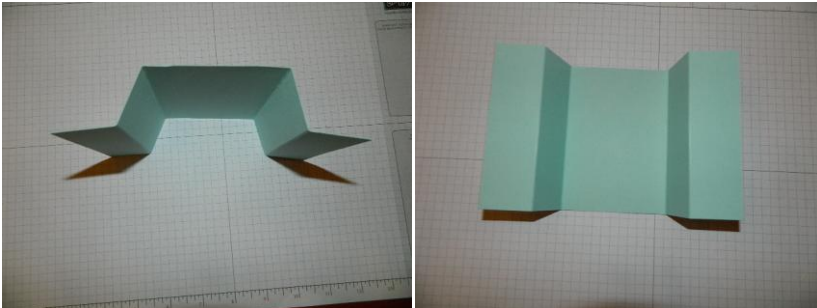

Designer Paper: 3 x 3, (2) 4 x 1 ¾, 1 x 5 ¼

Your Kit Supplies plus extra glimmer paper for behind houses.

Steps:

1. Fold card base as shown.

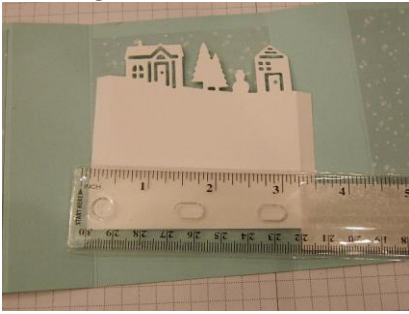

2. Add Designer Paper to sides and inside. NOTE – adhere as shown. The top and bottom bridge will cover any exposed card base.

3. Die cut the section with the CUTE CUTE snowman. Measure 4" and cut out as shown. Trimming off the extra houses. Score $\frac{1}{4}$ " each side. You will end up with a 3-1/2" insert that will be behind

the bridge sections.

4. With Liquid Multipurpose Glue, add glue to tab. The tabs will be attached to the panels to the left and to the right panel sections.

5. The card will mail when flat. Test your fold and get flexibility by moving this back and forth. And get comfortable with how the fold/collapsed fold works!

6. The 2 Bridge comments are added next. With VersaMark, stamp sentiment on Designer Paper and heat emboss with gold embossing powder. Layer onto gold glimmer paper. (see video on tip to attach).

7. Add Embossing Paste to the 5-1/2" long die cut house piece. Sprinkle with Dazzling Diamonds Glitter and allow to dry.

8. Add both bridge components to the outer panels. NOTE – the Glue or Dimensionals are attached to the panels only! We don't want any adhesive in the middle so our card folds down and opens up.

The steeple of the church is positioned over the sentiment!
