## Measurements:

Crumb Cake and Whisper White Cardstock for card base: 4-1/4" x 5-1/2"

Whisper White Insert: 2-3/4" x 4-3/4"

Scraps of Calypso Coral, Pool Party, Garden Green and Whisper White for die cutting and punching.

## Instructions:

### **\*Cut and Score the top section.**

Prior to cutting - With Crumb Cake ink, stamp images on Crumb Cake cardstock.

Line 4-1/4" side at top of trimmer. Line up at 3-1/2"

With cutting blade – cut from 3/4" " to 4-3/4" mark.

Turn and repeat to the other side (still with the 4-1/4" at top).

Line the 5-1/2" side at the top of the trimmer. Line up at 4-3/4".

With cutting blade – Cut BETWEEN CUT LINES. (should be ~ at the 3/4" mark to the 3-1/2" mark)

Turn card around (180 degrees) so the 5-1/2" Side sill at the top.

With the SCORING Blade – Score BETWEEN THE CUT LINES at 4-3/4", 3", & 1-1/4".

(should be ~ at the 3/4" mark to the 3-1/2" mark)

### **\*Add Adhesive to the back side of Crumb Cake.**

We want to add adhesive AROUND the insert with is the pull out element.

Working on the back side of crumb cake layer, place (stage) the insert at the top and covering our cut and scored section.

Add tear and tape to the outside of the insert. TiP! Don't get too close as the insert needs a little wiggle room when sliding. I find about midpoint between insert and edge works best.

Place insert aside. Remove tear and tape and layer over whisper white.

With 1-1/4 circle punch, punch notch at top. This will help with the pull out.

Add the insert, making sure it's lining up at the bottom of the cut out.

Add adhesive to the bottom tab scored section. Adhere to bottom of insert.

Done! Test & Decorate as desired. Tip! If you have a little of the insert showing outside the cardbase, no biggie – trim off access and continue! LOL do so before you add any pull tab!
