Memories & More abbreviated to MM.

I'll give more detail at first then go to overview as the layouts are repetitive. Please review the video for step-by-step instructions!

You will need to provide:

- Standard hole punch, adhesives & scissors.

The Cover bases and envelopes have been pre-punched for you 😊 Use the holes as a guide when adhering the layers on the covers.

Front and Back Covers

- Cut 2 Calypso Coral Card Bases in half along the score lines. This will make (4) 4-1/2 x 6-1/2 patterned layers)
- Add the layers one at a time so you can always see the punched holes on the opposite side as a guide.
 - Adhere the 4-1/2 x 6-1/2 patterned layer over one side of the cover. Turn over to the opposite side and with a hole punch, follow the exposed hole to align up punches.
 - Repeat to the other side so both sides of front cover have patterned paper on them with holes punched.
 - Repeat process with back cover.
- Front Cover.
 - Adhere a 4x6 MM to cover front.
 - Add pretty peacock circle to cover with dimensional foam dot.
 - Add butter sticker and flower stickers from MM pack.

Backside of front cover: - Make a pocket using a 3 x 4 MM card. Add dimensionals on left, bottom and right sides so that the crushed curry insert slides in.

Right. – Take a pretty peacock envelope and fold the envelop flap away. Adhere a 3 x 4 MM card to the front.

Both are the same.

Pretty peacock envelopes with the envelope's flaps turned inward. Take the 1 x 6/1/2 calypso coral cardstock and adhere to the envelop flap edge. And top and bottom of the cardstock strip to form pockets. The purple piece is to show it's a pocket 😊

Envelope flaps turned away to opposite side.

Left Side Pretty Peacock Envelope.

Right Side Calypso Coral Envelope.

- 4 x 6 MM card in the pocket.
- Adhere white circle to the front.
